

CABINET DECISION DATED - TUESDAY 16TH MARCH 2010

'Smoke and Tobacco-Free working Environments within the Public Service of Antigua and Barbuda – Effective 31st May 2010'

“23. Cabinet agreed that effective Monday 31st May 2010 smoking and the use of tobacco products are not permitted by anyone on any premises or in any vehicle owned, operated or leased by the Government of Antigua and Barbuda. All smoking materials must be totally extinguished before entering any premises or vehicle owned, operated or leased by the Government of Antigua and Barbuda.”

Thanks and Best of Health!
