

**Amendment No. 1RB\* GOST 3935-2000****Cigarettes. General technical specifications**

**Put into effect by Ordinance 35 of the State Committee on Standardization of the Republic of Belarus**

**Came into effect: 01.01.2003**

Item 4.11.4 shall be supplemented with the note:

“Note. It is allowed to indicate the name and the address of the organization located in the Russian Federation and authorized by the manufacturer to accept claims from users”.

Item 4.11.8 shall be worded as follows:

“4.11.8 Inscriptions warning about harm of smoking occupying at least 4% of the larger surface of the pack.

Before 01.01.2005, the consumer packing of cigarettes shall include one of the warnings with the following content:

- a) Ministry of Health warns that smoking is dangerous for health;
- b) Smoking is dangerous for health;
- c) Smoking is dangerous for your health;

Instead of the above warnings, it is allowed that consumer packing includes other versions of warnings characterizing harm of smoking in general or its individual aspects, inter alia, those approved by the Russian Federation Ministry of Health for the Russian Federation.

From 01.01.2005, one side of the pack shall include an inscription “Smoking is the cause of cancer”, and the other, larger, side of the pack, an inscription “Smoking is the cause of deadly diseases”. It is allowed to put one of these inscriptions on souvenir boxes and blocks”.

The standard shall be supplemented with item 4.11.9a (after item 4.11.9)

“4.11.9a Inscriptions about the ban of sale of cigarettes to persons under 18”.

(IUS RB No. 4 2002)

\* This amendment is in force only in the Republic of Belarus.
